

Important Tax Notice to U.S. Shareholders of GoviEx Uranium Inc.

This statement is provided for shareholders who are United States persons for purposes of the U.S. Internal Revenue Code ("**IRC**") of 1986, as amended and the regulations thereunder. It is not relevant to other shareholders.

GoviEx Uranium Inc. ("**GoviEx**" or the "**Company**") expects to be classified as a Passive Foreign Investment Company ("**PFIC**") as defined in Section 1297 (a) of the IRC for the year ending December 31, 2019, expects that it was a PFIC for all prior years and expects that it may also be a PFIC in subsequent years.

Please find attached a PFIC Annual Information Statement ("**AIS**") for GoviEx under the requirements of Treasury Regulation §1.1295-1(g)(1). The PFIC AIS contains information to enable you, should you so choose based on the advice of your tax advisors in light of your personal tax circumstances, to elect to treat GoviEx shares as a Qualified Electing Fund ("**QEF**").

The QEF election is generally made on Form 8621 ("Return by a Shareholder of a Passive Foreign Investment Company or Qualified Electing Fund") and is filed with your U.S. tax returns. A U.S. shareholder who makes a QEF election is required to annually include in his or her income his or her pro-rata share of the ordinary earnings and net capital gains, whether or not any amount has been distributed to shareholders.

Note that the information attached to this letter is intended to help you make one or more QEF elections, if you decide to do so, and neither such information nor this letter constitutes tax advice. The taxpayer should seek advice based on their particular circumstances from an independent tax advisor.

We recommend that U.S. shareholders consult a tax adviser concerning the overall tax consequences of their ownership of GoviEx shares and their U.S. tax reporting requirements. You can also find information on U.S. tax rules applicable to investments in PFICs on the IRS website, www.irs.gov, by searching "Form 8621 Instruction".
